**Additional information**

The directors have two options to acquire another machine in the coming year.

Option 1: buy a new machine

Option 2: buy two used machines

The cost of option 1 is \$17 000 higher than the cost of option 2. In the first year of use, the maximum capacity of each option is the same. The directors wish to select the option which will maximise profit.

**(b)** Advise the directors which option they should choose. Justify your answer.
