1. Introduction

1.1 Why choose Cambridge?

Cambridge International Examinations is part of the University of Cambridge. We prepare school students for life, helping them develop an informed curiosity and a lasting passion for learning. Our international qualifications are recognised by the world's best universities and employers, giving students a wide range of options in their education and career. As a not-for-profit organisation, we devote our resources to delivering high-quality educational programmes that can unlock learners' potential.

Our programmes set the global standard for international education. They are created by subject experts, are rooted in academic rigour, and provide a strong platform for progression. Over 10 000 schools in 160 countries work with us to prepare nearly a million learners for their future with an international education from Cambridge.

Cambridge learners

Cambridge programmes and qualifications develop not only subject knowledge but also skills. We encourage Cambridge learners to be:

- **confident** in working with information and ideas – their own and those of others
- **responsible** for themselves, responsive to and respectful of others
- **reflective** as learners, developing their ability to learn
- **innovative** and equipped for new and future challenges
- **engaged** intellectually and socially, ready to make a difference.

Recognition

Cambridge O Level is internationally recognised by schools, universities and employers as equivalent in demand to Cambridge IGCSE® (International General Certificate of Secondary Education). There are over 700 000 entries a year in nearly 70 countries. Learn more at www.cie.org.uk/recognition

Support for teachers

A wide range of materials and resources is available to support teachers and learners in Cambridge schools. Resources suit a variety of teaching methods in different international contexts. Through subject discussion forums and training, teachers can access the expert advice they need for teaching our qualifications. More details can be found in Section 2 of this syllabus and at www.cie.org.uk/teachers

Support for exams officers

Exams officers can trust in reliable, efficient administration of exams entries and excellent personal support from our customer services. Learn more at www.cie.org.uk/examsofficers

Our systems for managing the provision of international qualifications and education programmes for learners aged 5 to 19 are certified as meeting the internationally recognised standard for quality management, ISO 9001:2008. Learn more at www.cie.org.uk/ISO9001

1.2 Why choose Cambridge O Level?

Cambridge O Levels have been designed for an international audience and are sensitive to the needs of different countries. These qualifications are designed for learners whose first language may not be English and this is acknowledged throughout the examination process. The Cambridge O Level syllabus also allows teaching to be placed in a localised context, making it relevant in varying regions.

Our aim is to balance knowledge, understanding and skills in our programmes and qualifications to enable students to become effective learners and to provide a solid foundation for their continuing educational journey.

Through our professional development courses and our support materials for Cambridge O Levels, we provide the tools to enable teachers to prepare learners to the best of their ability and work with us in the pursuit of excellence in education.

Cambridge O Levels are considered to be an excellent preparation for Cambridge International AS and A Levels, the Cambridge AICE (Advanced International Certificate of Education) Group Award, Cambridge Pre-U, and other education programmes, such as the US Advanced Placement program and the International Baccalaureate Diploma programme. Learn more about Cambridge O Levels at **www.cie.org.uk/cambridgesecundary2**

Guided learning hours

Cambridge O Level syllabuses are designed on the assumption that learners have about 130 guided learning hours per subject over the duration of the course, but this is for guidance only. The number of hours required to gain the qualification may vary according to local curricular practice and the learners' prior experience of the subject.

1.3 Why choose Cambridge O Level Principles of Accounts?

Cambridge O Levels are established qualifications that keep pace with educational developments and trends. The Cambridge O Level curriculum places emphasis on broad and balanced study across a wide range of subject areas. The curriculum is structured so that students attain both practical skills and theoretical knowledge.

Cambridge O Level Principles of Accounts is accepted by universities and employers as proof of an understanding of the theory and concepts of accounting, and the ways in which accounting is used in a variety of modern economic and business contexts.

Candidates focus on the skills of:

- Recording
- Reporting
- Presenting
- Interpreting financial information.

Cambridge O Level Principles of Accounts forms an ideal foundation for further study, and for a future career within the profession.

Students may also study for a Cambridge O Level in a number of related subjects including Commerce, Commercial Skills and Economics. In addition to Cambridge O Levels, Cambridge also offers Cambridge IGCSE and Cambridge International AS and A Levels for further study in Accounting as well as other subjects. See **www.cie.org.uk** for a full list of the qualifications that may be taken.

Prior learning

Candidates beginning this course are not expected to have studied Accounting previously.

Progression

Cambridge O Level Certificates are general qualifications that enable candidates to progress either directly to employment, or to proceed to further qualifications.

Candidates who are awarded grades C to A* in Cambridge O Level Principles of Accounts are well prepared to follow courses leading to Cambridge International AS and A Level Accounting, or the equivalent.

1.4 How can I find out more?

If you are already a Cambridge school

You can make entries for this qualification through your usual channels. If you have any questions, please contact us at **info@cie.org.uk**

If you are not yet a Cambridge school

Learn about the benefits of becoming a Cambridge school at **www.cie.org.uk/startcambridge**. Email us at **info@cie.org.uk** to find out how your organisation can register to become a Cambridge school.

2. Teacher support

2.1 Support materials

We send Cambridge syllabuses, past question papers and examiner reports to cover the last examination series to all Cambridge schools.

You can also go to our public website at **www.cie.org.uk/olevel** to download current and future syllabuses together with specimen papers or past question papers and examiner reports from one series.

For teachers at registered Cambridge schools a range of additional support materials for specific syllabuses is available online from Teacher Support, our secure online support for Cambridge teachers. Go to **<http://teachers.cie.org.uk>** (username and password required).

2.2 Endorsed resources

We work with publishers providing a range of resources for our syllabuses including print and digital materials. Resources endorsed by Cambridge go through a detailed quality assurance process to ensure they provide a high level of support for teachers and learners.

We have resource lists which can be filtered to show all resources, or just those which are endorsed by Cambridge. The resource lists include further suggestions for resources to support teaching.

2.3 Training

We offer a range of support activities for teachers to ensure they have the relevant knowledge and skills to deliver our qualifications. See **www.cie.org.uk/events** for further information.

3. Syllabus content at a glance

Basic principles

- Role of accounting
- The Double Entry system of book-keeping
- Documentary records
- Books of prime entry
- The Cash Book
- The General Journal
- The Ledger
- The Trial Balance
- Adjustments to ledger accounts

Accounting procedures

- Capital and revenue expenditure and receipts
- Accounting for depreciation
- Correction of errors
- Control accounts

Financial statements

- Income statements
- Statements of Financial Position

Preparation of financial statements

- Sole trader
- Partnership
- Clubs and societies
- Incomplete records
- Limited liability companies
- Manufacturing accounts

Payroll accounting

- Payroll records
- Book-keeping entries for payroll

Advanced principles

- Financial relationships (ratio analysis)
- Accounting principles

4. Assessment at a glance

For the Cambridge O Level in Principles of Accounts, candidates take two compulsory components: Paper 1 and Paper 2.

Paper 1: Multiple choice	1 hour
There are 30 questions drawn from across the syllabus. All questions are compulsory. Weighted at 33.3% of total marks	30 marks
Paper 2: Structured written paper	2 hours
There are 4–6 compulsory questions drawn from topics across the syllabus. One of these questions (carrying approximately one third of the marks for Paper 2) involves the preparation of the financial statements of a manufacturing or trading business, e.g. Income Statements (the manufacturing, trading and profit and loss accounts) and the statement of financial position. Questions on this paper may require completion of pro formas and tables. Weighted at 66.6% of total marks	120 marks

The use of computerised accounting software is **not** required in the examination. However, an appreciation of the usefulness of computerised accounting systems in the preparation of accounting information **is** required.

Availability

This syllabus is examined in the June and November examination series.

This syllabus is available to private candidates.

Detailed timetables are available from **www.cie.org.uk/examsOfficers**

Cambridge O levels are available to Centres in Administrative Zones 3, 4 and 5. Centres in Administrative Zones 1, 2 or 6 wishing to enter candidates for Cambridge O Level examinations should contact Cambridge Customer Services.

Combining this with other syllabuses

Candidates can combine this syllabus in an examination series with any other Cambridge syllabus, except:

- syllabuses with the same title at the same level
- 0452 Accounting
- 0614 Accounting (Botswana)
- 4345 Accounting (Namibia)
- 7091 Principles of Accounts (Singapore)
- 7092 Principles of Accounts (Singapore)

Please note that Cambridge O Level, Cambridge IGCSE and Cambridge International Level 1/Level 2 Certificate syllabuses are at the same level.

5. Syllabus aims and assessment objectives

5.1 Syllabus aims

The aims of the Cambridge O Level Principles of Accounts syllabus are to enable candidates to:

- develop an understanding of the role of accounting in providing an information system for monitoring progress and decision making
- develop an understanding of accounting concepts, principles, procedures and terminology
- develop skills in preparing and interpreting accounting information
- develop knowledge and understanding of the aims and activities of business and non-trading organisations, their accounting implications and the accounting techniques and procedures appropriate to them
- develop skills of numeracy, literacy, communication and enquiry
- encourage attitudes of accuracy, orderliness, logical thought and an appreciation of professional ethics.

5.2 Assessment objectives

AO1 Knowledge with understanding

Candidates should be able to:

1. demonstrate knowledge and understanding of facts, terms, concepts, conventions, principles and techniques appropriate to the syllabus
2. demonstrate understanding of knowledge through numeracy, literacy, presentation and comprehension
3. apply knowledge and information to various accounting situations and problems.

The syllabus content defines the factual material that candidates may be required to recall and understand. Questions testing this will often begin with words such as: *state, define, identify, list, outline, write up, record, calculate, compute, explain*.

AO2 Analysis

Candidates should be able to:

4. select, analyse and order information in written, numerical and diagrammatic form
5. present appropriate information in an accepted accounting form.

Questions testing these skills will often begin with words such as: *select, prepare, draw up*.

AO3 Evaluation

Candidates should be able to:

6. interpret and evaluate accounting information and to draw reasoned conclusions.

Questions testing this skill will often require written answers and may begin with words such as: *explain, suggest, advise, comment on, discuss, compare*.

5.3 Relationship between assessment objectives and components

Component	AO1 Knowledge with understanding	AO2 Analysis	AO3 Evaluation
1	60%	40%	
2	25%	55%	20%

The skills are weighted to give an indication of their relative importance. They are not intended to provide a precise statement of the number of marks allocated to particular skills.

6. Syllabus content

6.1 Basic principles

Within the following areas, candidates should be able to:

6.1.1 Role of accounting

- explain the difference between book-keeping and accounting
- explain the role of accounting in providing information for monitoring progress and decision-making
- state the benefits of ICT (Information and Communications Technology) in book-keeping and accounting: accuracy, speed of processing information, ability to process high volumes of information, performing reconciliations, ease and capacity of information storage, security

6.1.2 The Double Entry system of book-keeping

- explain the meaning of assets, liabilities and owner's equity (capital)
- explain and calculate the effect of business transactions on the accounting equation
- explain the double entry system of book-keeping
- process accounting data using the double entry system
- explain the subdivision of the ledger into the sales ledger, the purchase ledger and the general ledger

6.1.3 Documentary records

- understand the use of business documents as sources of information
- name and state the use of an invoice, credit note, debit note, cheque, receipt and statement of account

Questions will **not** require knowledge of document details.

6.1.4 Books of prime entry

- explain the use of, and process, accounting data in the books of prime (original) entry – cash book, sales journal, purchases journal, sales returns journal, purchases returns journal, and general journal
- post the ledger account entries from the books of prime entry
- explain and calculate trade discount

6.1.5 The Cash Book

- explain its dual function both as a book of prime entry and as a ledger account for bank and cash by use of analysis columns
- explain and process transactions involving bank current accounts, bank deposit accounts, bank overdrafts, bank loans and other loans
- explain, calculate and account for cash discount
- draw up a reconciliation of the cash book with the bank statement in respect of the following: unpresented cheques, bank charges, bank interest paid and received, direct debits, standing orders, credit transfers, dividends, correction of errors, and uncredited deposits

6.1.6 The General Journal

- explain that the journal is one of the books of prime entry
- explain the use of the journal
- enter those transactions, including correction of errors, that cannot be recorded in any special journal
- write relevant explanatory narrations for each entry

6.1.7 The Ledger

- prepare ledger accounts using the 'T' account format
- post debit and credit entries to record transactions in the ledger accounts
- balance the ledger accounts as required, make transfers to the final accounts
- interpret ledger accounts prepared in 'T' account form and their balances
- explain and interpret ledger accounts prepared using the running balance format

Candidates are **not** required to explain or use folio columns.

6.1.8 The Trial Balance

- recognise that it is a statement of ledger balances on a particular date
- extract a trial balance from account balances
- outline its uses and its limitations as a means of checking the accuracy of the double entry
- identify and explain those errors which do not affect the trial balance – omission, commission, principle, compensating, original entry, and reversals

6.1.9 Adjustments to ledger accounts

- Other payables and receivables
 - make entries in the journal and ledger accounts to record accrued and prepaid expenses
 - make entries in the journal and ledger accounts to record outstanding and prepaid incomes
- bad debts and the provisions for doubtful debts
 - make entries in the journal and ledger accounts to write off bad debts
 - make entries in the journal and ledger accounts to make and adjust a provision for doubtful debts

Questions will **not** be set on bad debts recovered.

6.2 Accounting procedures

Within the following areas the candidate should be able to:

6.2.1 Capital and revenue expenditure and receipts

- define the meaning of capital expenditure and revenue expenditure
- distinguish between and account for capital and revenue expenditure
- distinguish between and account for capital and revenue receipts
- calculate and comment on the effect on profit and asset valuation of the incorrect treatment of capital and/or revenue expenditure

6.2.2 Accounting for depreciation

- define depreciation and be aware that it is not the putting by of cash for asset replacement
- explain the reasons for accounting for depreciation, e.g. passage of time, etc.
- name and describe the straight-line, diminishing (reducing) balance and revaluation methods of depreciation
- prepare ledger accounts and journal entries for the provision of depreciation
- prepare ledger accounts and journal entries for the disposal of non-current assets and calculate the profit or loss on the disposal of an asset

6.2.3 Correction of errors

- record journal entries supporting the correction of errors
- explain the use of the suspense account as a temporary measure to balance the trial balance
- open and post entries to a suspense account where necessary
- prepare a statement of revised profit
- prepare revised extracts of statements of financial position

6.2.4 Control accounts

- explain that control accounts are an independent check on the sales and purchases ledgers
- explain that control accounts may be used to provide totals of debtors and creditors, locate errors and act as a deterrent against fraud
- identify and use the books of prime entry as sources of information for the control account entries
- enter the following items into the relevant control account: credit sales and purchases, receipts and payments, discounts, returns, bad debts, dishonoured cheques, interest on overdue accounts, contra entries, refunds, opening and closing balances (debit and credit within each account)

Questions will **not** be set on situations where the control accounts are part of the double entry system.

6.3 Financial statements

Within the following areas the candidate should be able to:

6.3.1 Income statements

- calculate the gross and net profits or losses, based on accounting principles, for a specified period
- recognise that net profit (or loss) is the increase (or decrease) in the net value of assets during a financial year
- prepare simple columnar Trading Accounts when dealing with a business which has two departments

6.3.2 Statements of Financial Position

- recognise that they are statements of balances of assets and liabilities on a specified date set out in any valid layout
- demonstrate knowledge of the meaning, importance and designation of non-current assets, intangible assets (goodwill), current assets, current liabilities, non-current liabilities and working capital
- comment upon the significance of the inter-relationship of the items
- relate working capital to the liquidity of a business
- explain the basis of valuation of assets as follows:
 - non-current assets at cost less accumulated depreciation
 - inventory at cost or net realisable value, whichever is lower
 - trade receivables at expected collectible amount, i.e. after deduction of provisions for doubtful debts
- distinguish between, and show understanding of, equity and capital employed

6.4 Preparation of financial statements

Within the following areas the candidate should be able to:

6.4.1 Sole trader

- explain the difference between a trading and service business
- prepare income statements and statements of financial position for trading businesses
- prepare income statements and statements of financial position for service businesses
- make adjustments for provision for depreciation using the straight-line, diminishing (reducing) balance and revaluation methods
- make adjustments for provisions for bad and doubtful debts
- make adjustments for other payables and other receivables to take account of accrued and prepaid expenses and outstanding and prepaid income
- make adjustments for goods taken by owner for own use

6.4.2 Partnership

- explain the advantages and disadvantages of forming a partnership
- outline the importance and contents of a partnership agreement
- explain the purpose of an appropriation account
- prepare income statements, appropriation accounts and statements of financial position
- explain the uses of and differences between equity (capital) and current accounts
- draw up partners' current and capital accounts both in ledger form and as part of a statement of financial position presentation
- show the treatment of interest on capital, partners' salaries, interest on partners' loans and on drawings
- make simple entries for the formation of a partnership via capital contribution by each partner in cash and/or non-cash assets and amalgamation of two sole traders, including the calculation and recording of intangible assets
- make the other adjustments as detailed under 6.4.1 as appropriate

Questions will **not** be set on the dissolution of partnership.

6.4.3 Clubs and societies

- distinguish between receipts and payments accounts and income and expenditure accounts
- prepare accounts for the following – receipts and payments, revenue generating activities, e.g. refreshments, and subscriptions
- define and calculate the accumulated fund
- prepare income and expenditure accounts and statements of financial position
- make the other adjustments as detailed under 6.4.1 as appropriate.

6.4.4 Incomplete records

- prepare opening and closing statements of affairs
- calculate net profit/loss from change in capital over time
- compute sales and purchases figures and gross profit from incomplete information
- apply the following techniques to arrive at missing figures – mark-up, margin, inventory (stock) turnover
- comment upon the importance of providing information on profitability and financial position of enterprises when the books of account are not compiled by the double entry system

Questions on incomplete records will only relate to sole traders.

6.4.5 Limited liability companies

- prepare income statements, statements of changes in equity, and statements of financial position
- explain the capital structure of a limited company (comprising preference share capital, ordinary share capital, general reserve and retained profits/profits) and how it appears in the statement of financial position
- recognise the distinctions between authorised, called-up, issued and paid-up share capital and between share capital – ordinary and preference – and loan capital, e.g. debentures

Candidates need to be aware of cumulative and non-cumulative preference shares. They are **not** required to have an awareness of deferred, founders, participating, redeemable or 'A' shares, rights issues, bonus issues, share premium or capital redemption reserve.

6.4.6 Manufacturing accounts

- distinguish between direct and indirect costs
- identify cost accounting terms: direct material, direct labour, prime cost and factory (production) overheads
- make adjustments for work-in-progress
- calculate factory cost of production
- prepare manufacturing accounts, income statements and the statements of financial position of a manufacturing business.

6.5 Payroll accounting

Within the following areas the candidate should be able to:

6.5.1 Payroll records

- name and state the use of a clock card, time sheet, payslip, payroll register, wages sheet
- explain and calculate pay using the time basis and piecework basis
- explain and calculate overtime
- explain statutory deductions for income tax and social security/national insurance
- explain voluntary deductions for pension contributions, subscriptions and charitable donations
- explain and calculate gross and net pay

Understanding of tax and other tables is **not** required. Calculations will be based on fractions and percentages.

Knowledge of bonus schemes is **not** required.

6.5.2 Book-keeping entries for payroll

- prepare journal entries to record the payment of wages and salaries, statutory and voluntary deductions
- prepare ledger entries to record the payment of wages and salaries, statutory and voluntary deductions

Questions will **not** be asked on the use of a wages and salaries control account or labour costing.

6.6 Advanced principles

Within the following areas the candidate should be able to:

6.6.1 Financial relationships (ratio analysis)

- compute and explain the importance of rate of turnover of inventory, gross profit/sales, net profit/sales, net profit/capital employed, working capital ratio (current ratio) and quick ratio (acid test ratio)
- explain the relationship of gross and net profits to the valuation of inventory, rate of turnover of inventory, turnover, expenses, and equity
- recognise the importance of valuation of inventory and the effect of an incorrect valuation of inventory on gross profit, net profit, equity, and asset valuation

6.6.2 Accounting principles

- explain and recognise the application of the following principles/concepts in the compilation of final accounts:
 - going concern, historical cost, accounting entity, money measurement, accounting year, matching/accruals, prudence, materiality, consistency, and dual aspect
- recognise the influence of international accounting standards in: narrowing the areas of difference and variety of accounting practice; improving comparability; improving reliability and understandability of accounting information
- explain the importance of professional ethics in accounting

Questions will **not** be set on specific international accounting standards.

6.7 List of accounting ratios

Summary of commonly used ratios

1. Profitability ratios

$$(i) \text{ Percentage of gross profit to revenue (gross profit margin)} = \frac{\text{Gross Profit}}{\text{Revenue}} \times 100$$

$$\text{Mark up} = \frac{\text{Gross Profit}}{\text{Cost of Sales}} \times 100$$

$$(ii) \text{ Percentage of profit for the year to revenue (profit margin)} = \frac{\text{Profit for the year}}{\text{Revenue}} \times 100$$

$$(iii) \text{ Return on Capital Employed (ROCE)} = \frac{\text{Profit for the year}}{\text{Capital Employed}} \times 100$$

$$[\text{Capital Employed} = \text{Owner's capital} + \text{long term liabilities}]$$

2. Liquidity

$$(i) \text{ Current ratio} = \frac{\text{Current Assets}}{\text{Current Liabilities}} \text{ (also known as working capital ratio)}$$

$$(ii) \text{ Quick Ratio} = \frac{\text{Current Assets} - \text{Inventory}}{\text{Current Liabilities}} \text{ (also known as 'Acid Test' or 'Liquid ratio')}$$

$$(iii) \text{ Rate of Inventory Turnover} = \frac{\text{Cost of Goods Sold}}{\text{Average Inventory}} \text{ (answer given in times)}$$

$$\text{Or Inventory Turnover} = \frac{\text{Average Inventory}}{\text{Cost of Goods Sold}} \times 365 \text{ days}$$

7. International standards: terminology

The list below is to help Centres become familiar with international terminology which Cambridge uses in accounting syllabuses. Cambridge will include well-known standards, which are relevant to the level of study, in question papers, mark schemes and associated documents.

It is recommended that Centres use this terminology in their teaching and learning materials, however, candidates will not lose marks for using different terms.

International usage	Previous Cambridge/UK usage
Statement of financial position (balance sheet)	<i>Balance sheet</i>
Bank (and other) loans Interest bearing loans and borrowing	<i>Loans repayable after 12 months</i>
Bank overdrafts and loans Interest bearing loans and borrowing	<i>Loans repayable within 12 months</i>
Capital or equity/shareholders' equity	<i>Capital</i>
Cash (and cash equivalents)	<i>Bank and cash</i>
Cost of sales	<i>Cost of goods sold</i>
Current assets	<i>Current assets</i>
Current liabilities	<i>Current liabilities</i> <i>Creditors: amounts due within 12 months</i>
Finance costs	<i>Interest payable</i>
Finance income/investment revenues	<i>Interest receivable</i>
Financial statements	<i>Final accounts</i>
Gross profit	<i>Gross profit</i>
Income statement	<i>Trading and profit & loss account</i>
Intangible assets	<i>Goodwill, etc.</i>
Inventory/inventories (of raw materials and finished goods)	<i>Stock</i>
Investment property	<i>Investments</i>
Non-current assets	<i>Fixed assets</i>
Non-current liabilities	<i>Long-term liabilities</i> <i>Creditors: amounts falling due after more than one year</i>

International usage	Previous Cambridge/UK usage
Other operating expenses	<i>Sundry expenses (administration and distribution)</i>
Other operating income	<i>Sundry income</i>
Other payables	<i>Accruals</i>
Other receivables	<i>Prepayments</i>
Plant and equipment	<i>Plant and equipment</i>
Profit (before tax) for the year	<i>Net profit</i>
Property	<i>Land and buildings</i>
Raw materials Ordinary goods purchased	<i>Purchases</i>
Revenue	<i>Sales</i>
Share capital	<i>Share capital</i>
Trade payables	<i>Creditors</i>
Trade receivables	<i>Debtors</i>
Work in progress	<i>Work in progress</i>

8. Other information

Equality and inclusion

Cambridge International Examinations has taken great care in the preparation of this syllabus and assessment materials to avoid bias of any kind. To comply with the UK Equality Act (2010), Cambridge has designed this qualification with the aim of avoiding direct and indirect discrimination.

The standard assessment arrangements may present unnecessary barriers for candidates with disabilities or learning difficulties. Arrangements can be put in place for these candidates to enable them to access the assessments and receive recognition of their attainment. Access arrangements will not be agreed if they give candidates an unfair advantage over others or if they compromise the standards being assessed.

Candidates who are unable to access the assessment of any component may be eligible to receive an award based on the parts of the assessment they have taken.

Information on access arrangements is found in the *Cambridge Handbook* which can be downloaded from the website **www.cie.org.uk/examsOfficers**

Language

This syllabus and the associated assessment materials are available in English only.

Grading and reporting

Cambridge O Level results are shown by one of the grades A*, A, B, C, D or E, indicating the standard achieved, A* being the highest and E the lowest. 'Ungraded' indicates that the candidate's performance fell short of the standard required for grade E. 'Ungraded' will be reported on the statement of results but not on the certificate. The letters Q (result pending), X (no results) and Y (to be issued) may also appear on the statement of results but not on the certificate.

Entry codes

To maintain the security of our examinations, we produce question papers for different areas of the world, known as 'administrative zones'. Where the component entry code has two digits, the first digit is the component number given in the syllabus. The second digit is the location code, specific to an administrative zone. Information about entry codes can be found in the *Cambridge Guide to Making Entries*.
